Print on Demand

Perfect for custom quality garments and accessories at competitive pricing.

MCE can now offer you bright, full color photographic quality images printed directly onto a variety of promotional items! Direct to garment ink jet printing is a fantastic and cost effective alternative to costly screen-printing. This new service allows us to take any computer generated identification, decoration or commemoration and transfer it to apparel or accessories, with a quick turn around time, and without any set-up fees. Both long and short sleeved t-shirts, sweatshirts, totes, and towels are just a few items that are available. Customers have the option of using their own materials.

GO GREEN

Our new "GREEN" digital inkjet garment printer uses water based ink technology to deliver great print quality. We can accommodate a printable area of up to 14" x 16" in a multitude of commonly decorated locations. We prefer artwork to be in electronic format with 300 or greater (dpi) resolution, and we can work with a variety of graphic formats including: jpeg, tiff, pdf, .eps, and .ai.

Let MCE help you advertise your favorite logo, art work or photo for corporate, charity or sporting events, as well as reunions or social gatherings, to make a dramatic impact.

Recommended on light colored or white products.
