Please contact KI for specifics on this credit.

### FSC: Certified Wood

FSC Chain of Custody verification @ [www.fsc.org](http://www.fsc.org)

- ✓ LEED Building product disclosure and optimization - material ingredients; Option 1 (material reporting)

NOTE: Available by "special request" on wood options

### Health Product Declaration v2.0 (HPD)

Full disclosure of known hazards.

- ✓ LEED Building product disclosure and optimization - material ingredients; Option 1 (material reporting)

- ✓ WELL Credit 97; Material Transparency

### Other Environmental Attributes:

Summary outline and explanation of additional certifications.

### WELL Building Standard

The WELL Building Standard is the first standard to integrate human health and wellness into the design, construction, maintenance and operations of buildings.

### SmartWay Certified

KI has a fleet of SmartWay Certified trucks, resulting in less fuel usage, decreased exhaust output, and economic savings. In addition, we utilize other SmartWay certified trucking companies when needed.

### Healthier Hospital Initiative (HHI)

The Healthier Hospitals Initiative encourages manufacturers to provide information on furniture that meets the Healthy Interiors goals of the Safer Chemicals Challenge.

### CARB Phase 2 Compliant

The California Air Resources Board, is part of California Environmental Protection Agency (CalEPA). CARB Phase 2 Compliant indicates the product formaldehyde emission limits of .05 ppm or less.

### California Technical Bulletin 117-2013 (TB 117-2013)

KI upholstered seating products are manufactured to meet TB 117-2013. They are labeled accordingly to indicate if fire retardants (FR) chemicals were used in the fabrics and foams.

### Other Attributes

End-of-Life Recycling & Reuse: KI selects materials that can be recycled at the end of a product's use and designs its products so that it can be easily disassembled and separated for local recycling facilities. *Disassembly Instructions* can be found online or by request.
