

ACA ACCREDITATION

Maryland Correctional Enterprises is proud to announce that it has received 100% compliance for the American Correctional Association accreditation program. MCE first achieved accreditation in 2010 and has since received re-accreditation in 2012 and 2015, earning a perfect score each year.

Receiving national accreditation allows MCE to continue to improve our systems and processes to enhance both our product and service quality. Accreditation verifies that MCE operates at the highest levels of professionalism and standards of care for our inmate workers and employees.

To receive re-accreditation, MCE had to undergo an ACA audit that assessed administrative protocols, institutional operations and inmate programs. It also assesses additional safety issues that may affect both staff and inmate workers.
